

## Living Pink Survey - Copy

1 Living Pink Survey The purpose of this one page survey is to gauge the attitudes of various MIT living groups (dorms and FSILGs) toward LGBTQ (lesbian, gay, bisexual, transgender, and queer/questioning) people. For useful LGBTQ definitions, please see:

<http://internationalspectrum.umich.edu/life/definitions>. The results of the survey will be published online at [livingpink.mit.edu](http://livingpink.mit.edu) and printed in the Living Pink Guide, which will be made available in the Rainbow Lounge (50-005) and actively distributed to students during CPW, Orientation, Rush, and Recruitment. Please be honest rather than politically correct in your responses--all information, whether positive or negative, will be useful to incoming students trying to choose a living group. The survey is completely voluntary, and will take approximately 5 minutes to complete fully. You may answer as few or as many questions as you wish, and you may withdraw at any time. All responses will be kept anonymous.

2 1. With which living group(s) are you associated? We welcome comments on both your official residence and any other living group with which you are affiliated (e.g., you live in a dorm but spend a lot of your time at your sorority house). Order: undergraduate dorms, fraternities, sororities, ILGs, grad dorms
